COMMERCIAL CONDITIONS

- Prices can be modified by AZEMAD without any previous communication
- Price in Euros (subject to VAT at the prevailing rate)
- Transportation not included
- Bank transfer payment from proforma invoice (IBAN / SWIFT)
- Articles without warranty (except any manufacturing deficiencies after proven by AZEMAD)

Every product sold by AZEMAD benefits from a guarantee of conformity for a period of two (2) years from the delivery of the goods , without prejudice of applicable legal guarantees, but from manufacturing defects. However, since some of the items sold may be exposed to intentional impact applications, to those this terms do not apply. Sticks consider as such items. Therefore, to this item there is no guarantee associated, excluding ones consider by AZEMA, to be manufacturer defective.

Whenever any manufacturing defect or nonconformity is detected by an owner of an AZEMAD product, a first complain and evaluation must be made with the direct seller. Only after direct supplier deliberation and justifying cause it can be redirect for AZEMAD assessment.

The AZEMAD warranty policy does not cover: any breakages due to misuse or abuse, anomalies and consequences related to the intervention of a company not authorized by AZEMAD, consequences related to all external cause. Please notice that usual wear out, damage by deterioration, misuse and normal aging signs do not represent defects of the material.
